EMPOWER MINDS
TRANSFORM LIVES

Summary of the event:

The Online Quiz Competition, organized by the Department of Information Technology at Easwari Engineering College, was conducted as a part of the Department Social Responsibility (DSR) Club initiative with the aim of enhancing knowledge, logical thinking, and academic engagement among diploma students. This event was exclusively designed for diploma students across various disciplines, encouraging them to test their subject knowledge, improve their confidence, and experience the spirit of healthy competition. By creating an interactive platform, the initiative sought to provide students with a valuable learning experience beyond the classroom.

Throughout the session, participants engaged enthusiastically in multiple choice questions and problem-solving rounds that emphasized critical thinking, quick decision-making, and subject understanding. The event was structured to be engaging and student-friendly, ensuring that participants not only tested their knowledge but also learned from the process. By

incorporating challenging questions, instant feedback, and motivating interactions, the program helped students enhance their academic skills and gain confidence.

Scheduled for 21st August 2025, the Online Quiz Competition was conducted virtually, making it convenient and accessible for diploma students from different institutions to take part. By offering this initiative, Easwari Engineering College continues to uphold its commitment to promoting academic excellence, encouraging student participation, and fostering a culture of learning.

Through this event, students were able to strengthen their subject knowledge, develop competitive spirit, and gain valuable exposure to online learning platforms. Many participants shared that the quiz was both enriching and enjoyable, providing them with an opportunity to learn, compete and grow.

Number of participants:

A total of 88 students participated in the quiz, actively engaging with the questions and gaining valuable knowledge, which made the event a memorable and successful experience.

Outcomes of the event:

The Online Quiz for diploma students was conducted successfully with the aim of enhancing knowledge and providing an engaging learning experience. The outcomes of the program include:

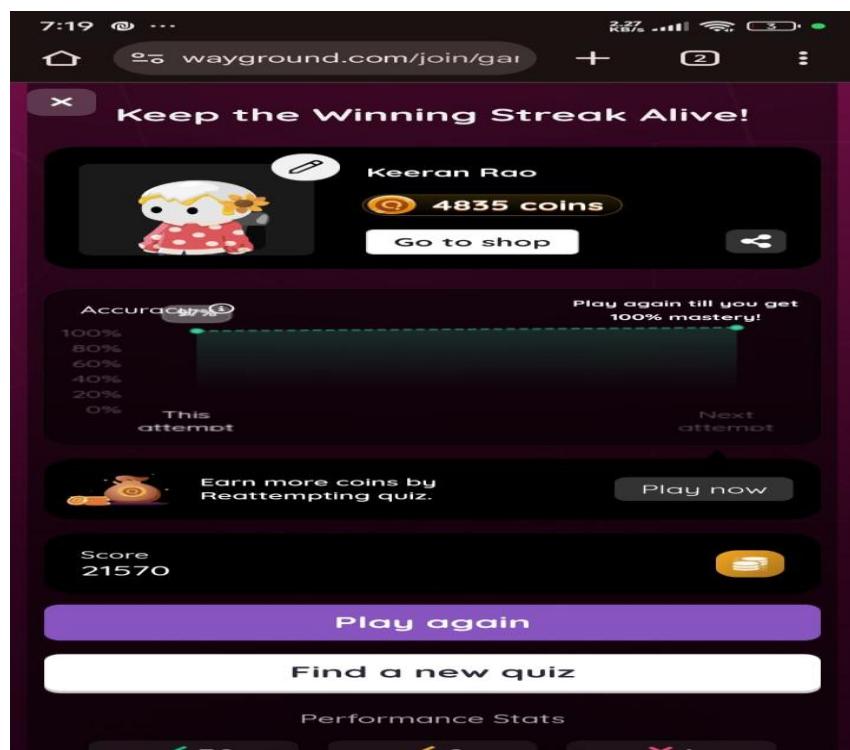

1. Knowledge Reinforcement – The quiz helped students recall and strengthen important concepts through direct application.
2. Learning Through Explanations – Each wrong answer was followed by an explanation, which helped students immediately understand the correct concept.
3. Active Participation – Many students enthusiastically joined via the quiz link and took part in answering all 31 questions.
4. Instant Feedback – Students received instant evaluation of their responses, allowing them to reflect and improve quickly.
5. Motivation to Learn – The interactive platform kept students motivated throughout, turning assessment into a fun learning process.
6. Positive Student Response – Participants shared that the quiz format was both enjoyable and educational, and it boosted their confidence in the subject.

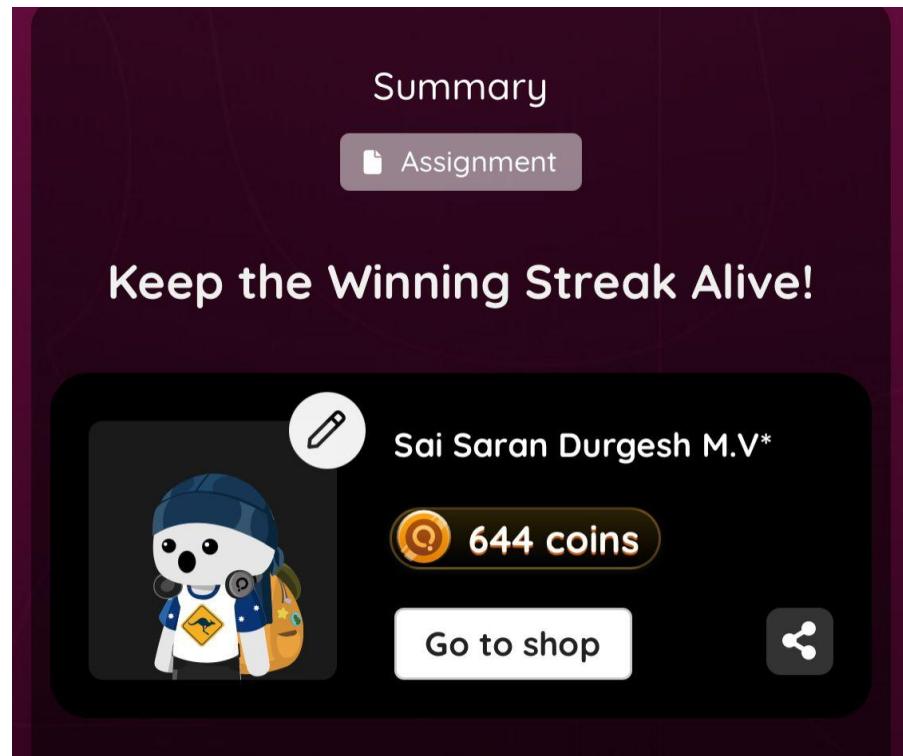

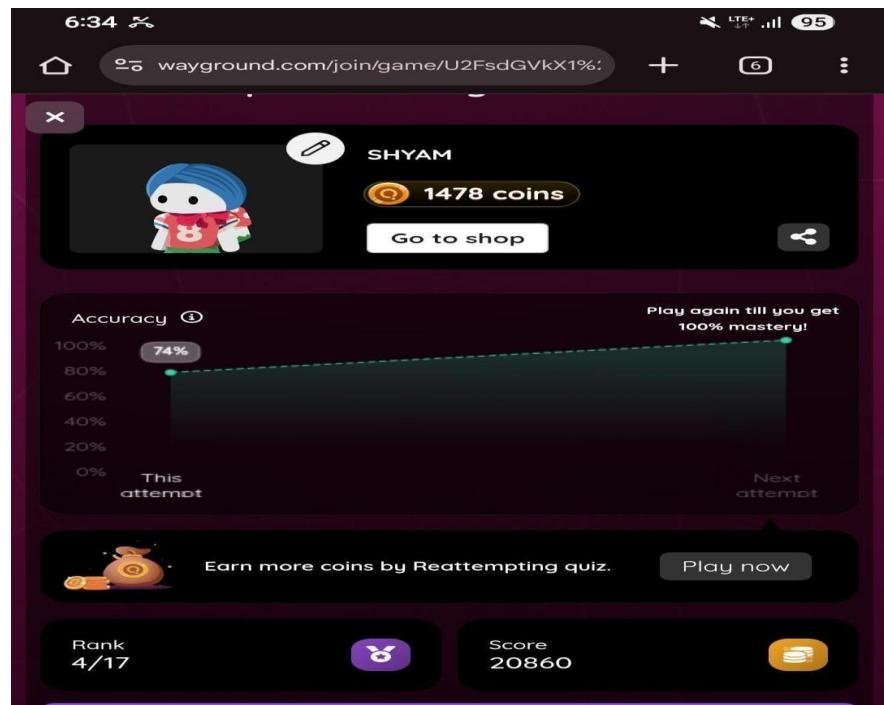

Students Engagement:

- a. Online Access – A dedicated quiz link was shared, making it easy for students to join from anywhere.
- b. Participation Levels – A good number of diploma students actively took part and attempted all the questions.
- c. Interactive Design – With 31 well-structured questions, students stayed engaged until the end of the session.
- d. Instant Learning – The built-in explanations for wrong answers ensured that students not only attempted the quiz but also learned from their mistakes immediately.
- e. Focused Experience – Since the quiz was continuous without multiple rounds, students remained fully concentrated on answering accurately.
- f. Encouragement – Students appreciated the effort taken to design the quiz in a way that balanced both testing and learning.

Students Achievements:

The online quiz provided a platform for students to showcase their knowledge and problem-solving skills. Several participants performed exceptionally well, securing top scores through their consistent effort and active participation. Their achievements highlight the enthusiasm and learning spirit among the students, and we take pride in recognizing
